LAW EDUCATION Department.
Fort St. George, MADRAS.

Sir,

(F)

Referring to G.O. No. Mis. 1746 L. E. dated 3-10-1931, I have the honour to state that I have been asked by the council to request Government to grant the subsidies referred to therein at least in the next financial year. The sites for the Bolar and the Market Ward Schools were acquired on the distinct understanding that a subsidy -- equivalent to a moiety of the cost would as promised be paid by Government. The municipality is not without its own heavy share of the financial stringency and unless Government comes to its aid with the subsidy promised it will not be

in a position

in a position to provide its schools with proper accommodation and equipment the necessity for which is keenly felt.. A building for the Market ward school is an urgent need. In the -- interest of Elementary education, I request that Government -- may be pleased to reconsider the orders and sanction the --- payment of the subsidies at least in the next financial year.

Your obedient servant,

Chairman, M. C.
